## Caregivers Support Group

– accredited by the Alzheimer’s Association

The Strawberry Point Lutheran Home Community offers an Alzheimer’s Dementia Support Group to the community with the goal of providing support to families and friends who are coping with the questions, demands, and stress brought on by Alzheimer’s and the various forms of dementia. Contact Strawberry Point Lutheran Home Community for more information. The Caregivers Support Group meets the **2nd Wednesday of each month at 12:30 p.m.**, in the Gernand Retirement Village’s activity room. The meeting is open to the public. This is time set aside for you to meet with others, to listen, to ask questions and share experiences as you are comfortable. Let us help you shoulder your load.

# Memory Care Manor

Strawberry Point, IA

Memory Care Manor is a certified, chronically confused and dementia illnesses unit (CCDI). This a comprehensive care facility including nursing, recreational and support services. Our program serves the healthcare and daily living needs of people with Alzheimer's disease and other dementias. Memory Care Manor provides a calming environment in which freedom is provided in a secure setting.

Memory Care Manor is an environment for people to live, not just reside.

We encourage a lifestyle with freedom within a secure setting. Our goal is to maximize independence in a safe environment. We are a community where dependent adults with dementia receive care and support in the Christian spirit of love and compassion.
