The Home That Love Built

Swales Assisted Living

Strawberry Point, IA

Our assisted living facility, for the safety and care of our residents, provides 24 Hr professional nurse staffing availability and an emergency call system. Residents live in private apartments but share three prepared meals a days. Living in the Swales Assisted Living Facility also includes weekly housekeeping and laundry service. As needed, maintenance services are also provided. Our staff provides transportation to medical appointments, and when needed, delivery service. Our caring staff also provides assistance with medication administration and other activities of daily living.

Residents also have access to all services provided within the Strawberry Lutheran Home Community. Residents of Swales Assisted Living also enjoy exciting day trips and a full calendar of in house social activities.

Swales Assisted Living Residents agree to having a great lifestyle:

“This is about as good as it gets.”

“The food is great! The staff is congenial, always giving us respect, and meeting any of our needs, no matter how small.”

“It’s like family here! I like it here, and the staff are very helpful! Everyone seems to be so nice.”
